

**Sale Name:** COLLECTOR AUCTION

**LOT 5037 - VINTAGE VINYL LP COLLECTION (GLENN MILLER, NAT KING COLE, CLASSICAL & POPULAR MUSIC)**

### Description

Four vintage record album boxed sets including "Glenn Miller's Army Air Force Band", Nat King Cole's "Unforgettable", "Festival of Light Classical Music" and "Popular Music That Will Live Forever"

Glenn Miller's Army Air Force Band: this is a 5-LP collector's set of conductor Glenn Miller and his almost 50 member band with recordings taken from performances while in England and on the European continent during 1943/44; a photo gallery and history of the band are part of the collection, and included are comments on Miller's mysterious final flight; the collection is enclosed in original packaging

Nat King Cole "Unforgettable": 7-album collector's set featuring 70 of his most popular selections; original advertising and other sales paraphernalia are included and the albums come with their attractive protective box

Festival of Light Classical Music: this 12-album collection encompasses the works of 38 famous composers including Brahms, Mozart, Strauss and Tchaikovsky; great orchestras from around the world were chosen to play these selections; an informative booklet of the composers' biographies and comments on their works is also included in this package, as well as their attractive protective box

Popular Music That Will Live Forever: Old and newer popular songs are included in the 10-album set, grouped into collections that emphasize pop concerts, songs from films, marches, dancing and relaxation; there is even a section that features a sing-along of

favourites; a booklet describing the music is also included with this collection, and the albums come with their protective box which has some damage
